

City of Tomball CUSTOMER NEWS

February 2023

Daylight Saving Time Information

Remember that daylight saving time begins at 2 a.m. on March 10, 2024 and clocks will “spring” forward by 1 hour.

This is a great time to check the batteries in smoke and carbon monoxide detectors as well as NOAA weather radios.

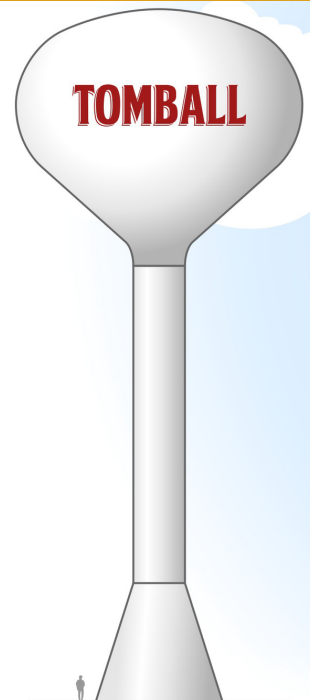

Mosquito Spraying Information

Please be aware that mosquito spraying will begin in March and continue until November.

The City of Tomball utilizes a process called “truck spraying” to treat areas with pesticides that target mosquitos and their offspring. Truck spraying is an efficient and successful method to reduce mosquito populations in our community which could spread dangerous viruses.

Pine Street Water Tower Update

Public Works is excited to revamp the Pine Street water tower in the first half of 2024! The current paint coating on this structure is 20 years old, and once revamped, a new protective coating will last for the next 15-20 years.
